Advertisement for the post of RA-I in IMPRINT-IIC Research Project

Applications are invited from Indian nationals for the position of 'Research Associate-I' in IMPRINT-IIC project with following details:

Title of the project: Massive Multi-access to provide UHD Quality Video and real time data Delivery from a Connected Mobile Ambulance and its Extension to Other Disaster Recovery Scenario.

1. **Name of the position:** Research Associate (RA-I)
2. **Number of Positions:** 01
3. **Last date of Application:** The application must reach the PI, Dr. Arzad Alam Kherani, by **Saturday, 31st July 2021 (before 5.00 pm)**
4. **Salary (p.m.):** Rs. 47,000 + 16% HRA
5. **Duration of Position:** Initial appointment will be given for nine months and is extendable on performance till the project completion.
6. **Essential qualifications:** Ph.D. or equivalent degree or having 3 years of research, teaching and development experience after ME/MTech with at least one research paper in Science Citation Index (SCI) journal.
7. **Age limit:** 40 years
8. **Desirable:**
 - 1) Have hands on experience in Raspberry Pi.
 - 2) Expertise in Python scripting and network programming using Python.
 - 3) Expertise in web cam video streaming and it's networking.
 - 4) Knowledge of web-app development is desirable.
 - 5) Working knowledge of STUN/TURN and other NAT Traversal approaches is desirable.
 - 6) Preference will be given to candidates having JRF-NET/GATE and working experience relevant to the project.
9. **Objective of the project:** Overall objective of the project is to be able to design, develop and deploy a smart ambulance solution where live data (including image, audio and video) is streamed using multiple uplink cellular connections. The remote center requires to aggregate the multiple data stream, have a dash-board to identify the live ambulances and their locations, be able to direct the ambulance appropriately. The solution is proposed to be deployed and tested on commercially available ambulances of our validation partner.
