

## Workshop day for

## “Celebration of The Periodic Table”

### Celebration of 150<sup>th</sup> anniversary of the Mendeleev's Periodic Table

6<sup>th</sup> April, 2019

Organized by: **Department of Chemistry, IIT Bhilai**

The Year 2019 has been declared by IUPAC and UN as the **International Year of the Periodic Table (IYPT)**, marking the 150<sup>th</sup> anniversary of the Mendeleev's periodic table, an iconic image in science. The Periodic Table of Elements is undoubtedly one of the greatest scientific work in the field of Chemistry. The IYPT gives us an opportunity to celebrate our profession and create fellowship amongst the scientific community. It is an opportunity to bring new people into the fold of science in general and chemistry in particular, raise scientific awareness, inspire people of all ages, experiences and backgrounds. To celebrate the IYPT, Department of Chemistry of IIT Bhilai in close collaboration with Department of Mathematics and Department of Physics is going to organize a workshop-day on 6<sup>th</sup> April, 2019. It is planned to house lots of exciting and diverse activities throughout the day, including public lectures, quizzes, and display of amusing chemistry experiments. Some eminent scientists will deliver lectures on the theme of the day. There will be stalls displaying amusing science experiments. A short documentary film on Mendeleev's periodic table will also be screened.

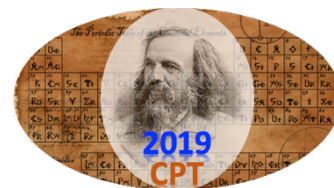

**The organizing committee cordially invites Students, Research scholars and Faculty members to participate in this conference. The interested participants may submit their Completed Registration Forms preferable by 28<sup>th</sup> March 2019 via email ([cptchem2019@gmail.com](mailto:cptchem2019@gmail.com)) to the Convener – Dr. Md. Mehboob Alam and Dr. Sanjib Banerjee, Department of Chemistry, IIT Bhilai, Raipur 492015, Chhattisgarh, Mobile: 9830883663 (WhatsApp). There will also be some on-spot registration (provided seats are available).**

**Registration is Free, but seats are limited. Seats would be filled on first come first serve basis.**

**SPEAKERS:** Prof. V. Chandrasekhar, Director TIFR Hyderabad and [Prof. Kallol K. Ghosh, PRSU](#)
